PRAYERS AND MEDITATION

Sarwat Tasneem

FOR A BENEFICIAL COP26 (1 – 18 November 2021)

#1. Noon each day: Silent Prayer and Meditation, perhaps with symbolic actions of our respective traditions- for example, ring bells; light candles; standing silently together wherever we are.

#2. 7 pm. Deep meditation or prayer according to your spiritual practice.

“We join in prayer with voices from the faith communities across the world for meaningful decisions at the climate Conference (COP26) in Glasgow.”

Thanks to Bishop Philip Huggin and Ms Sarwat Tasneem
